This is a pattern for a crochet clutch.

It is made with a simple stitch, that results in a thick fabric. I have seen this crochet stitch described as the *woven stitch* or *seed stitch*.

The design is a simple rectangle. I included a lining, so the crochet fabric has something to hold on to and doesn't grow out of shape over time.

The stitch pattern will result in a dense and thick fabric with this kind of yarn. It is a very simple pattern and the fabric resembles woven cloth.

The work should look like the photo below.

Cut the lining, so it is ½ inch - 2 cm larger than the crocheted fabric. Pin the lining to the fabric and sew it by hand. Your work should look like the photo below now.

Fold the fabric and sew it from the outside with beige and grey sewing thread.

Sew the button onto the fabric.
